

CONCLUSION OF PROCEEDINGS

Pursuant to s. 133(6) of the *Police Act*, RSBC 1996 c.367

OPCC File 2021-21351

June 6, 2023

To: Ms. [REDACTED] (Complainant)

And to: Constable [REDACTED] (Member)
c/o Vancouver Police Department
Professional Standards Section

And to: The Honourable Judge Brian Neal, K.C (ret'd) (Discipline Authority)

And to: Chief Constable Adam Palmer
c/o Vancouver Police Department
Professional Standards Section

The Office of the Police Complaint Commissioner (OPCC) has completed its review of the decision issued by the Discipline Authority pursuant to section 133 of the *Police Act* in this matter.

Ms. [REDACTED] and Constable [REDACTED] were provided a copy of Mr. Neal's findings in relation to each allegation of misconduct and determinations on appropriate disciplinary or corrective measures at the Discipline Proceeding. Ms. [REDACTED] and Constable [REDACTED] were informed that if they were aggrieved by either the findings or determinations, they could file a written request with the Police Complaint Commissioner to arrange a public hearing or review on the record.

The OPCC has not received a request from Ms. [REDACTED]

Based on a review of the discipline proceeding, we have determined that there is not a reasonable basis to believe the decision of the Discipline Authority is incorrect, and that a Public Hearing or Review on the Record is not necessary in the public interest.

Therefore, the Police Complaint Commissioner has assessed that there are insufficient grounds to arrange a public hearing or review on the record in the circumstances.

The decision to conclude this matter is final and this office will take no further action.
